A MESSAGE FROM YOUR MP

Happy Lunar New Year to all the communities celebrating! I send my best wishes for another year of happiness and longevity. I hope you had the chance to celebrate with your families and neighbours.

January was a busy month of outreach with various groups in Cloverdale—Langley City. A special thank you to Dr. Smythe at Trinity Western University for inviting me to speak with her class. I also want to thank the Greater Langley Chamber of Commerce for inviting me to participate in their annual Langley Leadership Panel.

Seniors across Canada have begun receiving a letter to apply for the new Canadian Dental Care Plan (CDCP). Using phased introduction, all uninsured seniors, persons with disabilities, and children under 18 with a family income of less than \$90,000 will have access to the CDCP by June 2024. In 2025, all low-income, uninsured Canadians will have access to the CDCP, helping up to 9 million Canadians. A table with the application schedule is in the bottom right corner of this page. On Page Two, there is a guide explaining how eligible seniors can apply for the CDCP over the phone until **April 30, 2024**. After May 1, eligible Canadians will be invited to apply online. As always, if you have any questions about the CDCP or have questions about how to apply, please reach out to my office.

All the best,
