REAL CHANGE, IN OUR COMMUNITY

CLOVERDALE—LANGLEY CITY IN THE SUMMER

Summer in Cloverdale—Langley City is beautiful, busy, and makes our community full of life. It is also when I come back to the riding to meet with constituents, businesses, and organizations. After a busy Spring, I want to share the important work that is being done and hear your concerns.

Our government passed several bills this year and will continue to work in the Fall. We passed paid sick leave for federal workers, banned conversion therapy, and supported old age security. We are working on legislation to ban handgun sales and keep our communities safe. We are holding tech giants accountable, preserving Canadian culture online, and protecting a free and independent press.

Let me know what you think about these changes by mailing in the survey on the back.

50th anniversary for
Langley Community Services Society.

The 2812 Seaforth Highlanders of Canada holding their Annual Ceremonial Review.

WHERE I'LL BE THIS SUMMER

I kicked off my return to the riding with a roundtable with the Punjabi Press Club of BC. We had great conversations about how our government's work is making an impact in our community. Specifically, how Bill C-21, which bans handgun sales will keep dangerous guns off our streets and our community safer.

Below are a few other events that I will be attending this summer:

- West Coast Kings Field Hockey Tournament
- Fort Langley Jazz Fest Gala Night
- Meeting with Langley Seniors Resources Society
- Meeting with Langley Rotary
- Meeting with the Surrey Farmers' Institute
- Progressive Intercultural Community Services Society (PICS) Gala

If you would like to meet or have an event you would like me to attend this summer, please reach out to my office.

John in the Community

LANGLEY COMMUNITY SERVICES SOCIETY

I had a fantastic time attending the 50th anniversary for Langley Community Services Society (LCSS). LCSS has been an essential part of the Langleys since it opened in 1971. It was an honour to be invited to speak and show my support for an organization that does so much for our community. I want to congratulate the team at LCSS on their 50th anniversary and thank all members, past, and present for their tireless service supporting our community.

CADET GRADUATION

The 2812 Seaforth Highlanders of Canada held their Annual Ceremonial Review in Cloverdale – Langley City. This is the most important parade event of the Cadet training year. It gives cadets the opportunity to present what they have learned throughout the previous year to their families and respective guests.

ENVIRONMENTAL CONFERENCE WGSS

Langley Environmental Partners Society and the Township of Langley presented their climate solutions at the Walnut Grove Secondary School Environmental Conference. This was hosted by the Walnut Grove Secondary School Eco Team. It is local advocates working together like this who can advocate for and implement climate and environmental protections, protecting our community, waters, and lands.
